

MY LITTLE MOCKINGBIRD *PRESS RELEASE*

BOOK OVERVIEW

There are so many sounds in the world that sometimes it can be hard for a little Mockingbird to hear the one that matters most.

When the noise becomes overwhelming, she learns to slow down, listen, and tune her heart to the song of her Creator a song that reminds her that she is loved, she is never alone, and all that was lost is being restored. A tender story about faith, hope, and learning to listen for the voice of the One who knows us best.
